SOC successfully executes supply of 60 nos. Pendant Push Button Stations to Godrej

Speed-O-Controls Pvt. Ltd is proud to state that their market share for Pendant Push Button Stations has been ever increasing. With the latest design that allows the user to incorporate / use any contact element has worked wonders. Almost 80% of the pendant stations sold in the last 6 months have been with this new design. Godrej also insisted that they have SOC Make Pendant Push Button Station with Teknic contact elements for ease in maintenance. The order comprised of the following : SV/7S – 40 nos, SV/5S -20 nos. The order has been executed now and Godrej has given excellent response.

SOC bags order for supply of Crane Scales to M/s BHEL – Jhansi

Not so long ago, Speed-O-controls had announced in the July newsletter about the development of Crane Scales. In 4 months' time, SOC has not only registered the product with PSU organisations like BHEL / NPCIL / NTPC and Indian railways, but also bagged a prestigious order for supply of 3 Ton and 10 Ton Crane Scales from BHEL – Jhansi. SOC shall execute the order by end of December. These Crane Scales are state of the art and are highly accurate with accuracy of 0.1% . SOC has already supplied approximately 50 units of such Crane scales.

Product of the Month SAFELINE V
